Environetics Welcomes New Team Members

Environetics is pleased to announce that Irina Apeltsin, Jennifer Leone and Andrea Polaski have joined the firm.

Irina joins as a plumbing and fire protection designer, offering over 30 years experience with academic, corporate, pharmaceutical and healthcare clients. Irina most recently was with IPS.

Jennifer Leone, PE, a graduate of Drexel University, joins the firm as a mechanical engineer. She has served a variety of academic, corporate, healthcare and industrial clients throughout her career. Jennifer was most recently with Ballinger Architects & Engineers.

Andrea joins the firm's interior design team as a recent graduate of Philadelphia University. She had previously interned with Environetics.

"The addition of these three motivated and capable professionals will enhance our already technically strong team" says Michael Sidlo, Principal.

About Environetics

Collaborating with clients, whose values they share, Environetics seeks to create environments that make a positive difference in the lives of their users and for the community.

Environetics is a full-service architecture, interior design, engineering, and planning firm specializing in the corporate, academic, healthcare, industrial, hospitality and retail markets. With independently owned offices located in Philadelphia, New York, New Jersey and Los Angeles, and over 90 staff the alliance can access a broad geographic area and knowledge base to better serve our clients.
